All contractors whose company was established during the slavery era, and awarded a contract on behalf of the City of Milwaukee, whether or not subject to a competitive bid, shall complete an affidavit prior to entering into the contract verifying that the contractor has searched any and all records of the company or any predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any enslaved persons or slaveholders described in those records must be disclosed in the affidavit.

The City shall make the information contained in the affidavit available to the public. Any contract between the city and a contractor which fails to provide the requisite affidavit or which includes material false information on such affidavit shall be rendered null and void.

The Form W-9 is a required form to ensure payment can be made and any appropriate reporting performed in the event of a bid award. Please provide a copy of your current W-9 with your bid submission.

Blank copies of the W-9 form are available from the Internal Revenue Service (<http://www.irs.gov>).

Terms and Conditions

By signing this bid, bidder hereby agrees to all the terms and conditions of the "City of Milwaukee Invitation, Instructions, Terms and Conditions for Formal Bid & Contract" document dated 10/14/2016 and the "City of Milwaukee Terms and Conditions for Service Contracts" document dated 03/04/2016, which is hereby referenced and incorporated as part of the contract awarded from this bid.

This document can be found on the Purchasing Division's website at: <http://city.milwaukee.gov> > Directory > Purchasing Division > Policies & Procedures > Terms & Conditions, or you may obtain a copy by calling our office at (414) 286-3501.

Bidders are cautioned not to change any of the terms or conditions in the bid and/or specifications without the written approval of the Purchasing Division. Any unauthorized changes will constitute a counteroffer and will subject the bid to rejection.

Payment Terms

It is the City's policy to pay all invoices within 30 days. If the City does not make payment within 45 days after receipt of properly completed supporting payment and other required contract documentation, the city shall pay simple interest beginning with the 31st calendar day at the rate of one percent per month (unless the amount due is subject to a good-faith dispute and, before the 45th day of receipt, notice of the dispute is sent to the contractor by first-class mail, personally delivered, or sent in accordance with the notice provisions in the contract). If there are subcontractors, consistent with S.66.0135(3), Wis. Stats., the prime contractor must pay the subcontractors for satisfactory work within seven days of the contractor's receipt of payment from the City of Milwaukee, or seven (7) days from receipt of a properly submitted and approved invoice from the subcontractor, whichever is later. If the contractor fails to make timely payment to a subcontractor, the contractor shall pay interest at the rate of 12 percent per year, compounded monthly, beginning with the 8th calendar day. Reference Common Council File No. 101137 adopted January 2011.

Please indicate if you would like to offer a payment discount to the City:

_____ % _____ days

The City will determine the low bidder by taking into consideration cash discounts offered by the bidders only if the payment terms are 30 days or more. However, if the low bidder who is awarded this contract has quoted a more favorable discount for earlier payment, and the City pays within that earlier timeframe, the bidder will be held to that quoted discount.

Payment Monitoring Requirements

All Contractors awarded a contract valued at \$25,000.00 or more are required to participate in training on the City of Milwaukee's contract compliance software. Contractors must complete the training no later than 30 days after the date of contract award. Throughout the contract term, Contractors are required to regularly provide timely payment information in the City's contract compliance software. Please contact the Office of Small Business Development (OSBD) at 414-286-5553 should you have any questions or concerns regarding the training process.

Price Escalations

This will be a one (1) year term contract, from the date of award, with the option to extend for four (4) additional one (1) year periods, subject to annual review by the City within sixty (60) days of the anniversary date. The volume listed is an estimate and is no guarantee as to the amount that will be purchased during the term of the contract. Contract continuance is contingent upon the availability of funding for the materials or services to be provided during the three year term of the contract.

Prices quoted must be firm for one year after which an escalator may be invoked upon request and verification of a letter from the supplier and market data or published price sheets. Such request must be made to the purchasing agent listed on the contract at least sixty (60) days in advance of the effective date of the increase. Price shall be based on product cost only and not to exceed 15% of the firm bid price during the contract period. The increase must be approved by the Purchasing Division prior to its effective date.

Likewise, any de-escalation in price shall be passed on to the City of Milwaukee. Vendors are obligated to treat price decreases as equally as price increases during the tenure of the contract.

Price escalation clauses are not applicable for "discount from list" contracts as the vendor's current list will already reflect market changes. Therefore, while the percent of discount offered by the vendor must remain firm for term of contract, the vendor must provide updated price lists to the City User Department(s) when updated.

Appeal Process

Bidders should submit a written request to the purchasing agent for interpretation or correction of any ambiguity or inconsistency discovered in the bid, specifications or attachments. Any requests for changes, clarifications, etc., to the bid-related specifications or attachments must be submitted to the Purchasing Agent in writing at least five (5) working days prior to the bid closing date. Requests received after that time will not be considered.

Bidders are cautioned not to change any of the terms or conditions in the bid and/or specifications without the written approval of the Purchasing Division. Any unauthorized changes will constitute a counteroffer and will subject the bid to rejection.

Special Interests

Does any officer, employee, agent, member of a governing body, or public official of the City of Milwaukee who exercises any functions or responsibilities in connection with the reviewing, approving or administering the carrying out of any services or requirements to which this bid pertains, have any personal interest, direct or indirect, in this bid and any contract that may result thereof?
